I love new clothes. If everyone
could just wear new
clothes everyday, I reckon
depression wouldn't exist anymore

619-008

True friends are like diamonds bright, beautiful, valuable, and always in style

619-004

I don't believe in fashion, I believe in costume. Life is too short to be same person every day

Every generation laughs at the old fashion,
but *follows* religiously the new

A STORY ABOUT FASHION

Pay attention to what your outfit makes you feel.

We celebrate the unassuming elegance, lightness and simplicity of this delicate ethnic attire whose glamour that charm has found expression in the form of fashion.
